The BritRail “Free Day” Promotion!

Receive an extra day of travel with passes purchased between July 15th and August 31st

The BritRail Free Day Promotion gives you one additional day of rail travel for free on BritRail’s most popular passes, allowing you more time to explore Great Britain’s inviting cities and numerous attractions. With a [BritRail Pass](#), you can hop on and off trains at will while traveling anywhere in England, Scotland or Wales. And the extra day gives you a chance to add a few more destinations to your list like the lush Highlands of Scotland or culture-rich cities such as London, Edinburgh, Manchester, Liverpool, Glasgow, Birmingham and more.

The BritRail Free Day Promotion is offered on all [BritRail Passes](#) and [BritRail England Passes](#), in First or Standard Class. Any eligible passes purchased between July 15th and August 31st, 2014 will receive an additional day of rail travel to extend their validity. You can take advantage of this promotion now and travel later. Since BritRail Passes are valid for six months from the date of purchase, you can get your pass before the end of the promotion and start traveling even into early next year.

To further sweeten the deal, this promotion can be combined with BritRail’s range of discount Passes, including the BritRail Party Pass (up to 50% off on the third through ninth passengers), BritRail Family Pass (one child per adult travels free), BritRail Senior Pass (up to 15% off in first class), BritRail Youth Pass (up to 20% off in first or standard class), Eurail Pass Holder Rate (up to 50% off for youth with a valid Eurail Pass) and the BritRail Guest Pass (up to 25% off for you and a British resident).
