BEMERKUNGEN

a. Reservierungen

Diese Reservierungsübersicht enthält die Züge, in denen Sitz- und Bettplätze reserviert werden können. Alle mit dem HERMES-Netz zusammengeschalteten Bahnen können die Reservierungen elektronisch vornehmen. Doch sind Platzanforderungen für die Autoreisezüge (Autoplätzle und die dazu gehörenden Bettplätze) schriftlich zu senden. Sitz- und Bettplätze dürfen nur von Fahrkartenausgaben und Reisebüros, die eine Agentur einer Eisenbahnverwaltung sind, angefordert werden.

Schriftliche Platzanforderungen werden höchstens ein Jahr im Voraus entgegengenommen, aber die Zuteilung der Plätze kann erst 8 Wochen vor Abfahrt des Zuges sichergestellt werden. Adresse, Telefon-, Telefaxnummer und E-Mailadresse der Reservierungsstelle (International Tickets, Travel Agency Services, Helsinki) befinden sich in Punkt 3. Plätze für die Züge der Richtung von St. Petersburg und Moskau nach Helsinki sind im Reservierungssystem der RZD elektronisch zu reservieren.

Für die Reservierung von Sitz- und Bettplätzen für Reisende mit Auto in Autoreisezügen gilt für Ausgabestellen im Ausland der TCV-Anhang Autoreisezüge.

b. Pendolino-, IC- und IC2-Züge

Die Platzreservierung für die Pendolino-, IC- und IC2-Züge ist obligatorisch.

OBSERVATIONS

a. Réservations

Cette liste de réservation comporte les trains dans lesquels des places peuvent être réservées. Tous les réseaux interconnectés peuvent faire des réservations électroniques. Seulement les demandes des places pour les trains TAA (les places autos et les places de voiture-lits en connexion avec les places autos) sont à faire manuellement. Les réservations ne peuvent être effectuées que par les gares et par les agences de voyages accréditées. Les demandes écrites sont acceptées un an en avance au maximum mais l'attribution des places est effectuée au plus tôt 8 semaines avant la date du départ. L'adresse, le numéro du téléphone, du telefax et l'adresse e-mail du bureau de réservation (International Tickets, Travel Agency Services, Helsinki) se trouvent au paragraphe 3.

Les places dans le sens de St Petersburg et de Moscou à Helsinki sont à réserver de manière électronique dans le système russe (RZD).

Pour la réservation des places aux voyageurs avec auto, il est fait application de l'Annexe du TCV "Trains Autos Accompagnés".

b. Trains Pendolino, IC et IC2

La réservation de places est obligatoire pour les trains Pendolino, IC et IC2.

OBSERVATIONS

a. Booking

This list of reservation includes the trains for which seat or sleeping-berth may be booked. Electronic bookings can be operated by all railways equipped with a HERMES network connection. However booking of car-carrier spaces (with corresponding sleeping-berths) is only operated manually. Seat and sleeping-berth booking may exclusively be operated by on-station booking offices and authorized travel agencies. Up to one-year advance bookings (formulated in writing) are accepted but seats are allocated at the earliest 8 weeks before departure. For the address, telephone number, fax number and e-mail of VR Booking (International Tickets, Travel Agency Services) in Helsinki, please see point 3. Bookings for trains from St. Petersburg and Moscow to Helsinki have to be made via the Russian RZD's electronic system.

In seat and sleeping-berth booking for passengers with an accompanying car, the Appendix to the TCV "Train with Accompanied Motorcars" (TAA) is applicable.

b. Pendolino, IC and IC2 trains

Seat booking for the Pendolino, IC and IC2 trains is mandatory.
