What is the York Pass?

The York Pass is a city sightseeing card that allows you to save money when you visit the city's most popular attractions, shops and restaurants.

So how does it work?

Follow our step-by-step guide on how to use The York Pass:

1. Choose which great value York Pass option suits you best - based on how many people there are in your group & over how many days you have to explore
2. Make a one-off initial payment for The York Pass, that includes huge discounts on entry into many visitor attractions across the city
3. Upon arrival at the attraction of your choice, produce The York Pass and no further payment will be required from you
4. Have fun and enjoy the savings you will make!

The savings don't stop there!

The discounts also apply to many visitor attractions just outside of York, not just in the city – you can explore some of the area's most beautiful stately homes, gardens and sites of historical interest too.

The York Pass makes your money go further

As well as guaranteeing you and your family fantastic discounts on visitor attractions, The York Pass also entitles you to special offers at a variety of shops and restaurants across the city – the choice is yours!

Visit as few as three attractions and start saving!
