

Overview of the England Pass

What Is It?

- The BritRail England Pass is a flexible train travel pass for visitors who are non-resident in the UK, giving you unlimited travel on most National Rail trains within England.*

Coverage Area

The pass is valid up to locations such as:

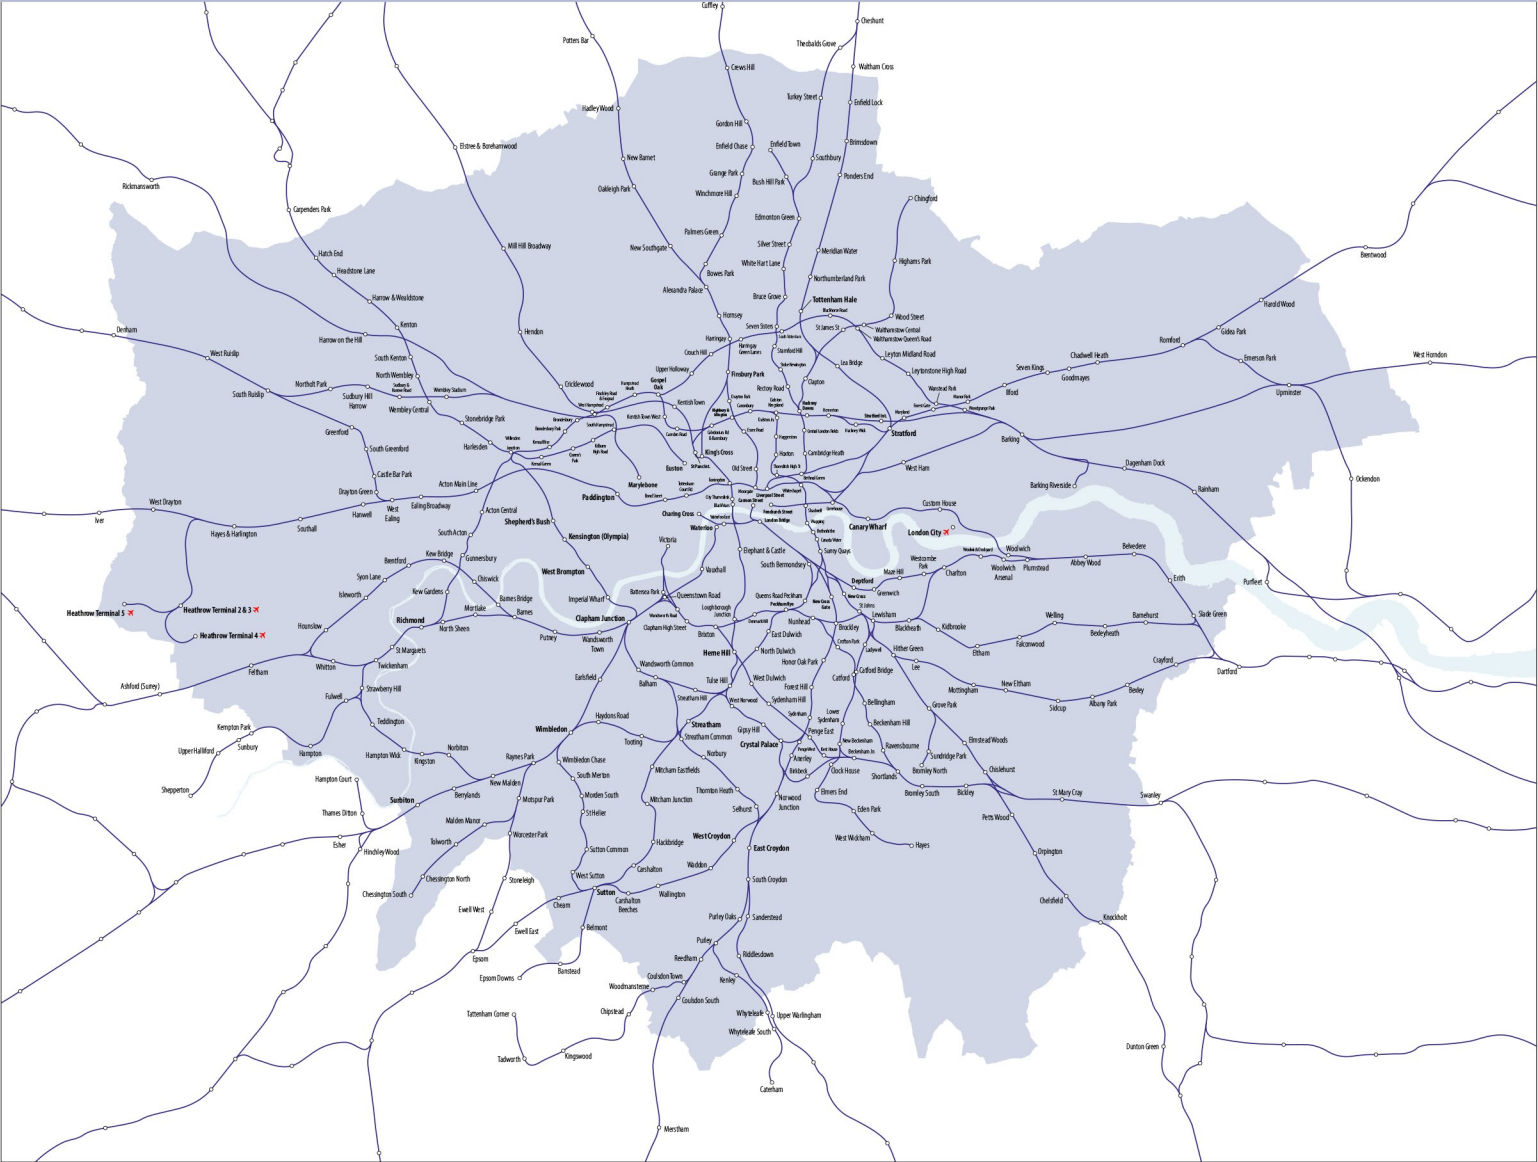

- Unlimited travel on all National Rail services in England.
- Includes the three “airport express” services: Heathrow Express, Gatwick Express, and Stansted Express, as part of a day's use.
- Covers the Night Riviera Sleeper.

Excluded/not covered:

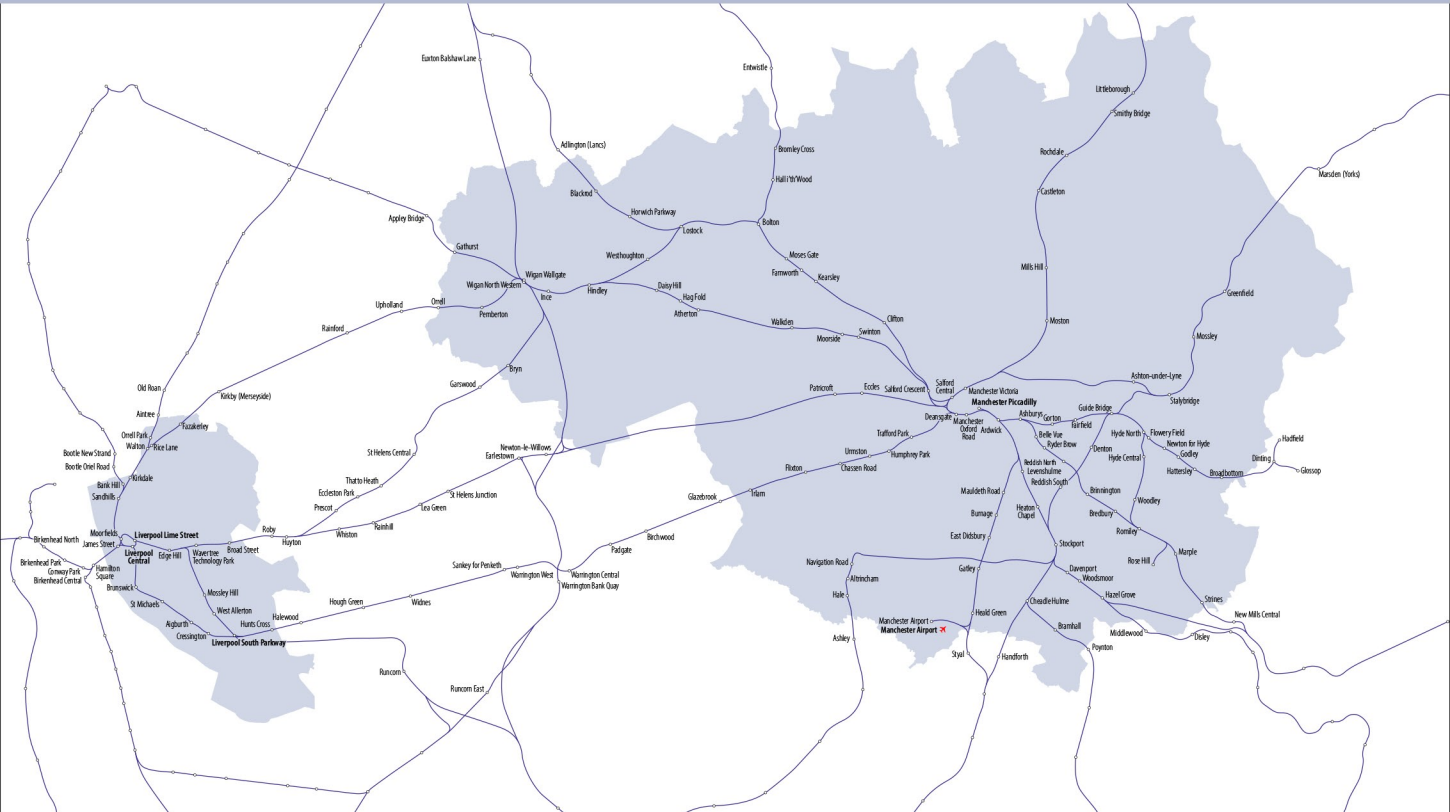

- Travel into Scotland or Wales is not covered in this pass.
- Non-National Rail services are excluded: for example Eurostar, London Underground, buses/trams/local metros in some regions, heritage/steam railways.

Please note: There is overlap between parts of the National Rail network and TfL services (Underground).
